

The Children's Bladder and Bowel Service is an integrated service combining the Bladder and Bowel Service and Community Paediatrics

We know how worrying bladder or bowel problems can be for your child. It is a very common problem; that's why we provide a children's bladder and bowel service to support children and their families.

In order for your child to access our services they must be registered with a Bromley GP.

We have two services that can see children with specific bladder and bowel symptoms.

The following criteria shows where your child should be referred to:

Bladder and Bowel Service

- Children with daytime and/or nighttime urinary symptoms, **5 years of age and over**

Contact:

St Pauls Cray clinic
Mickleham Road
St Pauls Cray
Orpington BR5 2RJ

Tell us what you think

We want you to be happy with the service you receive from us, but we know that every so often something might go wrong. If you're unhappy with the care you receive or an element of our service, we want to hear from you.

Of course, we also want to hear from you if you're happy with the care you're receiving - it's good to be able to thank the team and let people know they're doing a good job, so if you have a compliment or congratulation, we'd like to hear from you.

If we are unable to resolve your concerns or you would like to take the matter further please contact us at the address below:
