Dear Parent/Guardian,

Knole Academy Year 5 Taster Sessions 2021

We would like to invite you and your Year 5 child to have an opportunity to find out about life and lessons here at Knole Academy. Whilst your child experiences a lesson of their preferred subject choice, you will be able to have a tour of the school which will include visiting your child’s taster lesson. Please note this is subject to the Government’s roadmap in easing Covid-19 restrictions.

The day will start at 9.10am, where parents and children should arrive at the Knole Academy main reception. Students will be taken to a lesson of their choice which can be booked in advance via the Knole Academy website. Parents must be responsible for checking in their own child. At the end of the parental tour, there will be an opportunity for you to meet the main Leadership Team for a Q&A session before you will be reunited with your child at 10:30am.

The taster sessions will run on eight separate occasions throughout June and July. On each date two different lessons are on offer and we request that parents make **one** booking only in advance to allow us to accommodate as many children as possible. All bookings should be made by parents via the Knole Academy website: <https://www.knoleacademy.org/463/open-events>
