

Tuesday 7th September

Jeans for Genes Day Friday 17th September 2021

Dear Parents and Carers,

Warren Road Primary School will be taking part in this year's **Jeans for Genes Day on Friday 17th September**.

COVID has hit children and families affected by a genetic disorder extraordinarily hard. It's our fuel to get more people involved than ever before – to help reach as many families and groups as we can. And we need your help.

We need you to ditch the school trousers, shorts, skirts and dresses, reach into the back of the wardrobe and bring forth the blue jeans to have some fun and raise vital funds for the 3 million people in the UK affected by a life altering genetic disorder.

1 in 25 children has a genetic disorder that makes their life very difficult. That's one in every class. Simply by wearing our jeans and donating, we will change the lives of these children.

All children and staff are invited to wear their jeans on **Friday 17th September**. We'd like everyone to take part so please send your child into school on the day wearing their jeans and with a £1 donation. Children should wear the rest of their uniform with the Jeans.

Jeans for Genes Day have a series of powerful 5 minute films to explain how your child's donation will make a difference. Each film provides a compelling and personal insight, introducing some amazing children living with genetic disorders, sharing first-hand what life is like with their condition. Please visit <https://www.jeansforgenes.org/educational-resources> for more information and to view these films.

If you'd like to find out more about how our support will help, please visit their website at <https://www.jeansforgenes.org/>

Thank you,
Miss Waterman
Deputy Head
